SOCIAL HANGOUTS FOR TEENS WITH DISABILITIES

Get ready for an amazing social adventure, right here in Morristown, NJ!
We're excited to share an exciting opportunity from We've Got Friends (WGF):
Social Hangouts for Teens with Disabilities.

Our mission is simple yet powerful: We create inclusive social spaces for teens with intellectual and developmental disabilities (I/DD) to form meaningful connections with their peers. We host hangouts and special events where teens can make friends, share their unique talents and abilities, strengthen their sense of belonging, and gain self-confidence along the way.

Our programming is free to participants and their families; we believe friendship should be accessible to all, regardless of race, gender, national origin, religion, or economic status.

So, why wait? Let's embark on this exciting journey to create awesome new friendships together!
