

Regular meetings are anything but ordinary

Variety is the spice of life, so we try to pepper our schedule with multiple formats:

- **Game Night Pizza Parties**
- **Movie Nights**
- **Fun, Casual Dances**
- **Guest Speakers**
- **Pride Events**
- **Open Mic Nights**
- **Community Service**

Typical FREE gatherings: **Teens** enjoy unstructured time to socialize before and after a planned program, in a safe space with vetted adult supervision.

Life's a ball...

...when you live out loud!

# Welcome to Rainbow Café Morris

A safe place for northern New Jersey's LGBTIQA teenagers and their allies

"Pride Always" banner painted by our members.

## What is Rainbow Café?

Concerned parents, high school Gay/Straight Alliance (GSA) members, and a team of volunteers have created a safe space for Morris and Sussex Counties' lesbian, gay, bi-sexual, transgender, queer, questioning and asexual (LGBTIQA) high school students (13-18) and their allies to discuss matters important to them and to meet other teens to build stronger social circles.

Such a program already exists in Bergen County, called Rainbow Café, and we have created something similar in Morris County. We host meetings once a month at The Community Church of Mountain Lakes, 48 Briarcliff Rd, Mountain Lakes, NJ 07046

## But my GSA...

Rainbow Café Morris does not attempt to replace the supportive structure of school-based Gay/Straight Alliances (GSAs). Instead, we wish to unify members across GSAs and broaden teens' social and support networks.

## Be our Guest...
