"There is no greater badge of trust than putting your child into the care of another human being. ANCHOR BEHAVIORAL SOLUTIONS has shown that they will work with you to find the appropriate staff to meet the needs of your family. Anchor has cared for my son for the last 10 months, and I have always felt my child was safe in their care. They have demonstrated to be reliable, conscientious, thoughtful and caring. Thank you Anchor for giving me back my life!"

BEHAVIORAL & COMMUNITY SUPPORTS

Our mission is to provide individuals with services in an environment that supports personal growth, learning, empowerment and self-esteem.

About Anchor Behavioral Solutions

Anchor Behavioral Solutions was created to provide intensive behavioral interventions for adults and youths with acute developmental and intellectual disabilities and co-occurring behavioral disorders within their own homes.

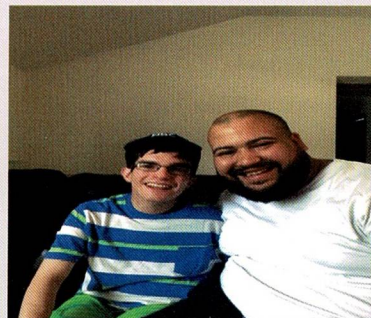

Our caring staff works intensely with individuals and families to support the client's positive functioning within the home and out in the community, managing and eliminating challenging behaviors, increasing independence of activities of daily living and improving their leisure skills repertoire with the goal of restoring equilibrium within the family.
