

PFLAG Sussex County

71 Sparta Avenue
Sparta, NJ 07871

We are dedicated to working towards a more welcoming and inclusive Sussex County for our LGBTQ+ friends and family through support, education, advocacy, and community events.

We recognize that people come to the group at different parts of their journey and with their own unique experiences. Whether you are searching for some support while you work to accept an LGBTQ+ relative/friend, or whether you're already a firm ally and wish to lend a hand to the community, your presence and your voice are welcome.

We normally meet at 7pm on the first Monday of the month at Sparta UMC. Holidays and inclement weather will postpone the meeting until the following Monday at 7pm. Please see our Facebook page for updates.
