

DO YOU HAVE CHILD DEVELOPMENT CONCERNS?

Child & Family Resources' family engagement team members and quality staff are specifically trained on developmental expectations and ways to aide in child development from birth to 5 years.

Our Family Engagement Specialist works directly with families to provide the best outcome for our youngest community members. Our staff also can provide appropriate referrals for further action if necessary.

We utilize the ***Ages & Stages Questionnaires®, Third Edition (ASQ®-3)***, a developmental screening tool to pinpoint developmental progress in children between the ages of one month to 5 years and the ***ASQ®:SE-2*** to identify and exclusively screen social and emotional behaviors.
