TRANSFORMING LIVES

## Our Services:

Offering Community-Based, Individual Supports, and Supported Employment Services:

### Community-Based

Whether it's going to the gym, attending a concert, going out to dinner with friends or just having the companionship of someone who enjoys the same things you like, Community Based Supports give you the possibilities you've only dreamed of.

### Individual Supports

Whether an individual wants to master independent living skills, learn to prepare their own meals or navigate transportation to and from a location, Individual Supports prepare them to accomplish things on their own.

### Employment Services

Whether you're just getting started or are currently employed, our employment specialists can assist.

### Division of Vocational Rehabilitation Services:

CSN is approved to provide pre-placement, intensive job coaching and long term follow along employment services.

### DDD Employment Services

If circumstances permit CSN is also capable of providing employment services or individuals wishing to utilize their DDD budget.

## Access Our Services:

Are you or a family member receiving services through DDD?

Reach out to your support coordinator about your interest in beginning services with CSN.

## Values:

We share these in the hopes that as a family, you will embrace them as we do!

- Strong Communication
- Self-direction
- Independence
- Meaningful Life Experience
- Fulfillment

## Mission:

Our Mission is to provide individualized outcome-based, high quality services to meet the needs of NJ's fast growing I/DD community with only the best and most talented individuals.

Our primary directive is to enhance the quality of life and well-being of the individuals we've been entrusted to serve. Our team of highly skilled professionals takes pride in our ability to deliver supports that extend beyond just care.

Our organization recognizes that being friendly, compassionate, and courteous is just the start to developing long lasting sustainable relationships. At the core of these practices is our individualized approach to service delivery, which is the cornerstone of our business model.
