## ★ AMERICA'S MUSIC SCHOOL ★

Studio located at 3130 NJ-10 Denville, NJ (next to X-GOLF & Jersey Mike's)

**BACH TO ROCK** is a music school for students of all ages. Our unique method is based on the knowledge that students learn best when they join together to play the music they like the most. That's why we use special arrangements of the music of our time and combine individual lessons with band instruction.

**PRIVATE LESSONS** (AGES 7+) Learning to play music should be fun; it's called "play" for a reason! Individual lessons develop a student's musical and instrumental skills by combining time-tested and innovative techniques. Lessons offered in piano, guitar, bass, drums, voice, strings, woodwinds, brass and others. Students of all ages and levels, including adults, are welcome.

**B2R ROCK BAND** (AGES 7+) All B2R students are strongly encouraged to join a band. Like sports, a band builds teamwork, develops social skills, fosters self-esteem, promotes peer recognition and leads to lasting friendships. All B2R bands are also invited to compete at the annual Battle of the Bands. Students taking private lessons elsewhere are welcome to join B2R bands. B2R

**GLEE CLUB** (AGES 7+) This premier choral ensemble offers a dynamic atmosphere for male and female students to unlock their inner star! Students explore fun vocal exercises, singing in harmony and cool choreography while performing arrangements of popular songs. The group learning experience emphasizes reading music, intonation, listening skills, rhythm and healthy vocal technique.

**ROCK N ROLL** (TODDLERS) Rock n Roll is a fun, high energy and stimulating music and movement class for caregivers and toddlers through 3-year olds. Classical and modern music along with age-appropriate themes make this class fun for children and parents. Experience the developmental benefits of music through singing, dancing, exploring age-appropriate instruments and more!

**ROCK CITY**® (PRESCHOOLERS) Preschoolers develop the skills needed to read music, play simple rhythms and develop fine motor control. These skills lay the foundation for future success in playing an instrument. The course includes dynamic musical and movement-based activities, exposure to live instruments and musically inspired story-time.

**KIDS N KEYS** (AGES 5 - 7) In a fun-filled keyboard/computer lab, children are exposed to the fundamentals of music. As they learn to read music and play the piano, students encounter the concepts, symbols and sounds that form the basis of music literacy. Activities and games involving listening, movement, singing and creative music-making prepare a child for musical success.

**BIRTHDAY PARTIES** (AGES 4+) B2R offers fun, musical birthday parties for all ages. No experience necessary. Each of our birthday parties will be a memorable event! For full descriptions, please visit us at [Denville.BachtoRock.com](http://Denville.BachtoRock.com).

**GROUP CLASSES** (AGES 7+) Students learn how to play their instrument in a stimulating, team-based environment. The healthy camaraderie and competition that results motivates students to practice and improve quickly. Individualized attention and group direction lead to well-rounded musicianship and prepares students to perform in a variety of ensembles/bands or as soloists.

**SONGWRITING 101** Students learn how to compose, record, produce and perform individual and group songs using Garage Band on state-of-the-art technology. Students will learn lyric technique and music structure for songwriting in any genre and will write and record original songs.

**B2R STUDIOS** B2R Studios offers a range of audio recording courses, workshops and recording production services in professional, state-of-the-art facilities. Studio rentals are also available. For full descriptions, please visit us at [Denville.BachtoRock.com](http://Denville.BachtoRock.com).

**SOCIAL/CORPORATE PARTIES** Host a party with Bach on the Rocks and, in less than an hour, your guests will learn to play a song on a musical instrument. No experience necessary! Our talented instructors will coach them to end the night with a once-in-a-lifetime performance. For more information, please visit us at [Denville.BachtoRock.com](http://Denville.BachtoRock.com).
