

# **Blast off with Compadres Astronaut Academy**

**Join us as we go on a simulated mission to the International Space Station!**

Compadres is hosting a 10-week virtual Astronaut Academy open to children ages 6-13! There will be weekly activities that mimic the experiences of real NASA astronauts during their training process. It will even include a Mission Log which astronauts use to journal their thoughts and experiences during their time in space! **Zoom information can be received at the time of registration.**

**Spots are limited sign up now!**
